Emerging Issues Intersessional Workshop

Tentative programme

CCFICS

**Monday
22 June**

Objectives:

The purpose of the workshop is to elaborate on the issues identified in responses to the circular letter [CL 2024/85 FICS Request for comments on Appendix A - List of new emerging global issues](#) (deadline for comments 8 February).

The workshop will be an opportunity to build consensus on potential topics for future work and their prioritisation in the agenda paper that CCFICS28 will consider under its standing agenda item *Review and Update of Appendix A – The list of emerging global issues*.
